About us

The Port of Dover is Europe's busiest ferry port, handling 33% of UK-EU trade, worth £144bn per annum. Each year more than 2 million freight vehicles, 2 million tourist vehicles and 10 million passengers pass through the Port. We also welcome more than 120 cruise ships, 150 cargo vessels and 4,000 leisure craft in our marina each year. But we're not just about trade and transport. We have a vibrant and growing property portfolio and are transforming the waterfront with new amenities and activities that are making Dover a great place to live, work and enjoy under the famous White Cliffs.

Providing the infrastructure to support this diverse and busy 24/7 operation requires a dedicated team of people working in a diverse range of roles. We are committed to developing the skills and industry knowledge of our employees to enhance performance and support the achievement of our business objectives.
